### EXPERIENCE

Cherrelle is a Director with PricewaterhouseCoopers LLP (“PwC”) in the Abandoned and Unclaimed Property (“AUP”) practice. She has twelve years of experience serving clients for unclaimed property issues in various industries, specifically pharmaceutical, healthcare, retail, oil & gas, energy, utilities, manufacturing, grocery, publishing, cable and insurance. Cherrelle specializes in AUP and spends 100% of her time serving clients nationwide in this area.

### BACKGROUND

Cherrelle joined PwC’s AUP practice in April 2004. Cherrelle's experience in the unclaimed property area includes state and third-party audit defense, assistance with voluntary disclosures, development and implementation of best practice policies and procedures, and liability reserve estimations.

Prior to joining the AUP practice, she was with PwC's Payables Analysis and Refund Recovery practice for four years. Her primary consulting responsibilities included the areas of accounts payable statement reviews, outstanding check reviews, and duplicate payment refund recovery self audits.

Cherrelle has made presentations on Abandoned and Unclaimed Property at local and national conferences and workshops.
